**QUESTIONS ABOUT GENTLENESS**

- 1.** If you are connected to an apple tree, you will grow apples. If you are connected to the gentle Savior, you will grow gentleness.
- 2.** True meekness leads us to bolder conversations in authentic relationships, not passive interactions passed off as genuine. **Galatians 6:1-3 ESV, Philippians 2:3-8 NLT**
- 3.** Jesus is meek... Jesus is gentle. **Matthew 11:28-29 ESV**
- 4.** Biblical fruit examination is not condemnation, but rather an invitation. Just listen... **Matthew 11:28-29 MSG**
- 5.** Do you think Him gentle in your reality, and not just in your theology? Because when your theology and your reality differ, you are severed from the vine, or at least that part of the vine.
- 6.** Until you face and deal with these questions about how you truly believe about Him, your efforts at growing more fruitful will consistently feel disappointing, striving, and empty... with moments of success celebration, but an inability to actually live a life of fullness.
