TEXT: Acts 2:37-39; 41 (NLT)

• "What Shall We Do?" (or "How Do I Experience Grace?")

1. Experiencing Grace is **NOT** A Feeling

- a. Ephesians 3:1-19 NLT

2. Experiencing Grace is **NOT** More Work

- a. Now we know that grace for salvation *can't be* earned, but we certainly live as if grace for assurance of our salvation *must be* earned. We think, "If I haven't been 'doing my part'—praying, reading, resisting sin, etc.—I should not expect to experience grace."
- b. We live as if HE is the Author, but WE are the finishers of our faith (Hebrews 12:2)
- c. Ephesians 2:10 ESV

3. Experiencing Grace is **NOT** Initiating, but Responding

- a. Believing again that His grace pursues you today—remembering and responding to it—is how we experience grace.
- b. John 7:38 ESV
