

**Jonah “The Grace That
Chases You”**

Part 1 “The Chase Begins”

**Pastor John Carey
04-03-16**

The Story of Jonah’s journey is so much more than a story of a defiant prophet and a great fish. It’s a story of failure, redemption, forgiveness, grace, its not just Jonah’s story it’s our story.

The “Do Over” (Jonah 1:1-13)

***Jonah didn’t understand the full magnitude of what God wanted to do through him.**

***Jonah had a relationship with God, but he didn’t want to be the vessel by which a relationship with God was offered to others. (Jonah was not Being One and Reaching One!)**

***God isn’t looking to give you something else to do; He is looking to do something else through you.**

***Jonah wanted God to deliver him from the storm, but God wanted to deliver Jonah through the storm.**

***God showed Jonah grace when he allowed him to fail.**

***The same grace that allows us to fail is the grace that allows us forgiveness, redemption, and the ability to experience the love of God.**
