

Pressure Points
Part 3 "I Am Pursued"
May 29, 2016

Pastor Andrew Wharton

- **One must believe in God, not by signs, miracles or wonders, but by faith in God to **RECOGNIZE** the battle of Life!**
 - **Rom 4:20 NLT**
 - **This faith in God leads me to know there is a supernatural and a natural. Therefore, the enemy (pursuer) is **REALITY**. // *Corinthians 4:4***
- **We are but "fragile clay jars" with very little **ABILITY** to withstand the pressure from the pursuer.**
// Corinthians 4:7
 - **The pursuer will kill, steal and destroy but his real **OBJECTIVE** is to pursue you to a place where your faith is weak and the pressure of the world crushes your spirit and faith and takes your life! *John 10:10***
 - **Therefore, there **MUST** come a point where we fight back!**
// Corinthians 10:3-5
- **Your faith must bring you to a place where you live for Him, live fully reliant on Him and live for the cause of Him! If you do this, **KNOW** that He will always rescue you and your life will be joyful! // *Corinthians 1:9-11***

Grace enables us to become fighters instead of flighters ... because we are not ignorant of our enemy's devices (II Cor. 2:11) and we are confident in whom we are in Christ.
