

*Renewing Your Mind
About Biblical Membership
In the Body of Christ*

Part 1:
Regular Attenders: What
Membership Is Not

Church Membership – a full and honest disclosure

Church membership – oh to be in my obituary

Church Membership – based on some earthen criteria of a list of “do” or “do not” actions

Church membership – has to be seen in the light of Grace Revolution

Church membership – has to be unlearned

Romans 12:2(NIV)

*Do not conform to the pattern of this world, but be transformed
by the renewing of your mind.*

*Then you will be able to test and approve what God’s will
is—his good, pleasing and perfect will.*

Church Membership – first step: “un-conform” what you’ve thought, experienced, or heard

Church Membership – cannot be boiled down to regularly attending

***Church Membership – It’s not about finding your “place” but it is more about Covenanting
with Him in order to be transformed into a fully devoted follower of
Christ!***

***Church Membership – Biblical membership in the local church has to be synonymous with the
membership in the global body of Christ.***
