Part 2 of 6

Matthew 6:9

- I. ***Our Father:*** **Fatherhood** - Understanding this concept sets the plate for all that is to come in the prayer model.

- II. ***In Heaven:*** **Belief & Faith** - Affective prayer is rooted in “things unseen” and “unknown”. Clearly, there are no limits for the One in whom we pray.

- III. ***Hallowed Be:*** **Protection** - We must always be aware of what an honor it is to call Him **Father**. We must protect the sanctity of our relationship to Him for the world to see.

- IV. ***Your Name:*** **Invoking** - The very essence of who He is. We carry, protect, proclaim and defend the **brand** of who He is and His capabilities.

KNOWING that I have the right to call out to the Father & KNOWING the power in HIS NAME cause me to enter into prayer with a sense of separation from the world's chaos.
