Part 4 of 6

To Experience and Express the Biblical Grace and Truth of Christ that
Transforms All People into Fully Devoted Followers

TEXT: John 4: 3-17 (NLT)

• **3 Whole Truths About Half Truths**

1. Experiencing and Expressing Truth

Before Grace is **NOT** Biblical

- a. John 1:14 NIV
- b. BIG STATEMENT: Never in the history has so much truth been communicated at one time and to so many people.
- c. BIG QUESTION: Is all this truth setting the world free?

2. Experiencing and Expressing Truth

Before Grace is **NOT** Transformative

- a. James 4:6 ESV
- b. Romans 10:12-13 ESV
- c. Truth follows transformation.

3. Experiencing and Expressing Truth

Before Grace is **NOT** a Pathway to Full Devotion

- a. John 8:31 ESV
- b. Truth out of this biblical order enslaves people to law or guilt, rather than setting them free to obey from a transformed heart
- c. Without grace, we never grow up... our answers stay the same. We elevate a true viewpoint above its Creator who is still speaking as we are supposed to keep maturing.
