

Transforms All People

November 13th, 2016

Part 5 of 6

To Experience and Express the Biblical Grace and Truth of Christ that Transforms All People into Fully Devoted Followers

Story:

1. The transformation of "a wee one" Luke 19: 1-10

Prerequisites:

2. Salvation/Freedom is for all! Titus 2: 11-15
3. Christ can Change/Transform a person! 2 Cor. 5:17
4. I have experienced this transformation/grace.
Romans 12:1-3, Ezekiel 36:26

Question:

5. *Do I have a yearning to see this transformation happen to others?*

Note: Jesus transforms people/others via me when I experience His transformation myself - that's the sequence.

Note: I do not transform people. My life points to His transformative grace.

I will not be drawn into a false sense of success in the faith, by numbers, by accolades, by title or fame. But rather the level of my daily transformation in His grace shall be my success marker!
